- ① Die Andruckprofile sind für Farbbeschichtung nicht geeignet. Die Funktionstauglichkeit ist durch einen Beschichtungsversuch zu überprüfen!

The pressure plates are not suitable for colour coating. Any attempt at colour coating requires a coating test to check the pressure plate is suitable for its function.

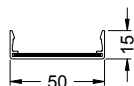

- * Die Andruckprofile sind alle 250 mm vorgelocht.
* The pressure plates are pre-punched every 250 mm.

- ② Edelstahl 1.4401 Microlonschliff / Edelstahl Verarbeitungsrichtlinien beachten
Stainless steel 1.4401 with microlon ground finish / follow the stainless steel fabrication guidelines
- ③ Edelstahl 1.4301
Edelstahl Verarbeitungsrichtlinien beachten
*Stainless steel 1.4301
Follow the stainless steel fabrication guidelines*
