- Weight Mousepad: 130g

3-In-1 Gaming Gear Kit, RGB keyboard, mouse, mouse pad, German Layout, black

The keyboard: The keyboard comes equipped with low-profile keys located on the membrane switch, German layout and a 6-key Anti-ghosting. The keyboard has a galvanized black metal plate for a tougher look and to give stability and weight to the keyboard. The RGB lighting is fixed in "rainbow mode" and can be switched on or off by pressing the SCROLL LOCK key.

The mouse: The mouse comes equipped with an Instant 704 IC sensor, it has a polling rate of 125Hz and has 6 different DPI levels: 800/1600/2400/3200/4800/6400. The mouse has six buttons and can shine in 6 different colors. It connects to your computer via the 1.5 long fabric-covered USB cable.

Mouse pad: Simple but stylish, the mouse pad comes with the DELTACO GAMING logo at the bottom left. On top you will find a fabric cover that works just as well with laser sensors as with optical sensors. At the bottom, you have a rubberized surface for the mouse pad to stay in place.
