

Rain Cover

Protection roof for the Eiffel pedestal

The Rain Cover is an accessory to complement the Eiffel pedestal, providing additional protection for the charger against rain and harsh weather conditions. Installation is quick and easy thanks to the included mounting accessories, ensuring hassle-free setup. With its carefully matched color and finish, the Rain Cover integrates smoothly with both the pedestal and the adapter plate, maintaining a unified, professional look. Ideal for outdoor installations, the Rain Cover not only extends the life of the charging equipment but also preserves the clean aesthetics of the charge point.
