

H05VV-F 3G1,5mm² schwarz
mit Installation Stecker

200±30

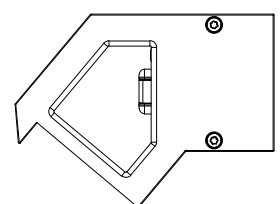

Technical drawing of the BACH 100W LED strip light, showing top and side views with dimensions.

Top View Dimensions:

- Overall length: 297,84 ± 1
- Overall width: 16
- Distance between mounting holes: 128,09 ± 0,20
- Distance from left edge to first mounting hole: 138,6 ± 0,20
- Distance from left edge to second mounting hole: 269,34 ± 0,2
- Mounting hole diameter: Ø8
- Distance from left edge to first mounting hole (center): 13,9
- Distance from left edge to second mounting hole (center): 23,3
- Distance between mounting holes (center-to-center): 10
- Distance from mounting hole to edge: 15,4
- Radius: R10,5
- Distance from mounting hole to edge (bottom): 15
- Distance from mounting hole to edge (top): 20,9
- Distance from mounting hole to edge (right): 39,9 ± 0
- Distance from mounting hole to edge (right, with tolerance): 39,9 ± 0,3

Side View Dimensions:

- Overall height: 16
- Mounting hole diameter: Ø4,2
- Distance from mounting hole to edge: 15,4
- Distance from mounting hole to edge (center): 13,9
- Distance from mounting hole to edge (center): 23,3
- Distance from mounting hole to edge (center): 15
- Distance from mounting hole to edge (center): 20,9
- Radius: R10,5
- Distance from mounting hole to edge (bottom): 15
- Distance from mounting hole to edge (top): 20,9
- Distance from mounting hole to edge (right): 39,9 ± 0
- Distance from mounting hole to edge (right, with tolerance): 39,9 ± 0,3
