### Identification

|                              |             |
|------------------------------|-------------|
| Category                     | Accessories |
| Type of accessory            | Cable gland |
| Description of the accessory | EMC version |

### Technical characteristics

|                                        |                  |
|----------------------------------------|------------------|
| Wrench size                            | 35               |
| Limiting temperature                   | -40 ... +130 °C  |
| Degree of protection acc. to IEC 60529 | IP68             |
| Size                                   | M32              |
| Clamping range                         | 11.5 ... 15.5 mm |
| Shielding diameter                     | 8 ... 13.5 mm    |
| Width across corners                   | 38.5 mm          |

### Material properties

|                             |                                                        |
|-----------------------------|--------------------------------------------------------|
| Material (cable glands)     | Metal                                                  |
| RoHS                        | compliant with exemption                               |
| RoHS exemptions             | 6(c): Copper alloy containing up to 4 % lead by weight |
| ELV status                  | compliant with exemption                               |
| China RoHS                  | 50                                                     |
| REACH Annex XVII substances | Not contained                                          |
| REACH ANNEX XIV substances  | Not contained                                          |
| REACH SVHC substances       | Yes                                                    |
| REACH SVHC substances       | Lead                                                   |
